Diploma Programs:

Our affordable certificate courses may be taken on an individual basis or as part of a diploma program; the choice is yours. Successfully completed certificate courses can be used toward applicable diploma programs at any time.

>>Advanced Nutrition
>>**Advanced Nutrition Specializing in Sports and Fitness** (new!)

>>**Nutritional Consulting**
>>**Sports & Fitness Nutrition Certificate Program (CSNC)** (new!)

Advanced Nutrition: The Advanced Nutrition diploma program is comprised of the following certificate courses. For detailed information, please click on one of the links below.

→ **APPLY FOR PROFESSIONS SUCH AS:**

Natural Health Fundamentals

Nutrition: Studies & Applications

Sports & Fitness Nutrition

Vegetarian Nutrition

Certification of each course must be achieved (in any order) to receive the diploma.

Regular cost, and when enrolling in one individual course at a time: \$1996

Special Pricing Program Cost = \$1800 plus GST/HST (if applicable)

- If you are paying for the program in one payment, you may sign up online for the courses listed above and the discount will be applied automatically.
- If you are wanting to split the cost into a payment plan please call 1-800-663-6580.

** (Payment plans have NO interest and are only available to students who reside in Canada and the US)

Important note – students enrolled in the program still have the option to complete one course at a time just as they would enrolling one at a time. The only differences are cost, and the advantage of having all of the books for the program on hand for ease of transitioning from course to course.
